Bus Information

As outlined in the School Transportation Policy, for the purposes of providing transportation services, each student is limited to one primary residence address and one alternate address. As part of our measures related to COVID-19 this year, bus passes are not permitted. Any special requests should be forwarded to SRCE Transportation at 902-747-3645

All IECA students from grades 7-12 have received Chromebooks that they will use in class and at home. This initiative has been arranged to stop the sharing of equipment in the school. Students have been asked to sign a responsibility agreement and they will be expected to return the machine at the end of the school year. If you could ensure your child has theirs coming to school everyday it would help our days run much smoother.

Thanks in advance!

Outdoor Clothing

Many teachers will try to include as much OUTDOOR learning as possible. This even more so the case with Physical Education classes. Please ensure that your child is clothed appropriately for going outdoors. A bit of drizzle does not stop us!!

Cafeteria Services

Students and parents are reminded that Chartwells is now accepting orders online at <https://cafzone.ca/>. They are also taking lunch orders at the cafeteria as long as the student orders by recess time.
