IMPORTANT REMINDERS

- Parents are reminded not to send birthday party invitations to their child(ren)s classrooms as they will not be passed out in school.
- Parents and visitors are more than welcome to visit the school. However, be sure that you only go as far as the office. For our students' security we ask that you don't go to coat racks, classrooms, the gym etc. during school hours. If you need to see your child administration will call your child to the office for you.
- We also ask that parents communicate in their child(ren)s agendas if there are any after school arrangements, cafeteria instructions, and extracurricular activities that need to be noted. We have over three hundred students from pre-primary to grade 12 and it is not possible for our secretary to manage all these arrangements or changes in plans.
- Students **are not** permitted into the school or the foyer until 8:25am. Please **do not** drop your child(ren) earlier than 8:25am as there is no one available to supervise your child(ren).
- Parents of Elementary students are encouraged to keep an extra set of clothes in their child(ren)s school bag in-case they get wet during the school day. This eliminates the need for phone calls home for dry clothes.
